## EMT Basic Course

The purpose of this EMT-B course is to provide candidates essential “need to know” information, skills and judgments that they will need to start practicing as EMT-B’s. The course is 110 hours in length but does not teach CPR, therefore **CPR certification is a prerequisite to attend the course.**

The complete EMT-B course consists of 7 Modules. Each Module will be taught and tested, in order. The EMT-B candidate must successfully pass each Module in order to continue the program. After completing all 7 Modules, the candidate will sit for the NJ State EMT-B Written Exam.
