Re: 376 Upper Neck Road, Pittsgrove Township – Block 802, Lot 17

Messieurs Sander, Crawford and Harris:

I am writing on behalf of the Pittsgrove Township Committee to convey the enclosed letter from resident, Jennifer Scaringello, who is very concerned about the safety and well-being of her family and the community. She is requesting that signage be erected on the above-referenced county roadway in the vicinity of her home for the speed limit, bus stop, children at play and deer crossing. As you are the primary responsible entities for matters involving county roadways and school bus routes, please advise regarding any measures that can be taken to address her concerns and make our community safer.

In the interest of public safety, thank you in advance for your prompt attention to this matter.

Yours truly,
TOWNSHIP OF PITTS GROVE

Constance S. Garton
Municipal Clerk

Old Values, New Ideas: Working Together For All

Dear Constance Garton,

I, Jennifer Scaringello, who reside at 376 Upper Neck Road with my fiancé and our two children would like to request road signs be put up for the safety of our family and community. Our children are 6 and 9, and they are required to cross the street to get off of the bus every day. I have, on more than one occasion, witnessed cars passing the bus while the yellow lights are on or just before. I also, on a daily basis, watch cars going at ridiculous speeds by our house even with Green Branch Park begin adjacent to our house. I understand the road is a busy street, but it is extremely dangerous. It puts not only my own children at risk on a daily basis, but other children in the community that attend activities at the park. I'm requesting signs be put up for the speed limit, bus stop, and children at play. If we could also add deer crossing to the list, that would be great.

Sincerely,

Jennifer Scaringello
