Re: FY 2019 Salem County ATP  
Salem County  
FY 2019 County Aid Program

Dear :

Enclosed is one copy of the executed Agreement approved by the Department of Transportation for the above referenced project in the amount of \$4,842,538.00.

This project will be funded from the New Jersey Transportation Trust Fund Authority Act. State participation in the cost of the project is limited to 100 percent of the cost of the completed construction work including construction supervision, inspection and material testing, or the amount of the allotment, whichever is less.

**Program Administration**

The County Aid program will be governed by N.J.A.C. 16:20A and counties are required to comply with these rules and all provisions contained in the N.J.A.C. 16:20A as applicable. The rules establish guidelines and procedures to be followed by Counties when administering contracts. In addition, the rules provide the requirements for preparing plans and specifications, contracts administration, contract completion and payment, state participation in cost as well as audit requirements.

16:20A-6.4 Annual report on expenditure of funds

(e) The county must demonstrate satisfactory progress in expending local aid funds. Failure to award construction or other approved contracts for 100 percent of a county's annual allotment within three years of the date established by the Department in the annual notification, pursuant to N.J.A.C. 16:20A-4.2(a), shall result in the immediate rescission of any unencumbered funds. Rescinded funds will be reallocated to the following State fiscal year's county local aid program to be distributed pursuant to N.J.A.C. 16:20A-1.2.

Failure to make an award by the contract deadline or to comply with the requirements of the County Aid Regulations 16:20A and the Terms and Conditions of Grant Agreement for State Aid to Counties and Municipalities will jeopardize the use of State funds on this project. It is further noted that the project must be in compliance with the Americans with Disabilities Act, ADA, requirements for accessibility. The County Aid Regulations and terms and conditions can be found on the Local Aid Website at:

Through the approval of this agreement and all future agreements, the sponsor is required to provide submission updates that are to be tracked through the on-line SAGE System. The Sponsor is also responsible for continued updates with respect to the construction administration/management phase of the project in the SAGE System. The preparation of contract documents shall use the 2007 Standard Specifications as amended by the 2011 Special Provisions for Local Aid Projects. All requirements of this program can be found in the State Aid Handbook, available at the above website.

If you have any questions regarding the above, please contact Taimur Shamali of this office at 856-486-6684.

Sincerely,

Vincent Masciandaro
