Kathy,

Thanks again for your help with Atlantic City Electric. They confirmed approval our on line grant application today and the \$2000 for Jazz Fest they had promised.

I haven't heard much lately from Mr. Fischer's manager, but I will request that Mr. Smick reaches out to him again when I meet with Mr. Smick early next week. At that time I will set up or, if Mr. Smick can't or won't do it, call off the video interview with him and we can move on to the other musicians if necessary.

I did NOT hear back from any other potential major sponsors that I contacted by Wednesday's deadline, so I would say we are ready to proceed with all promotional materials: postcards for mailing, updated flyers for distribution at our December MAC meeting on 12/18/19, on line and Newspaper ads (Elmer Times AND SJ Times?). Please ad the Billy Joel quote and Atlantic City Electric's logo to ALL those materials if you can.

I told Atlantic City Electric that we would need their Clinic and Concert program ad by 12/16/19. IS THAT A GOOD DATE to allow you enough time to put the program together?

I want to prepare a program ad appeal (see attached rough draft using) and need a cutoff date for ad submissions (12/31/19?). Let me know what you think, when you can.

Thanks,
John D.
