COUNTY OF SALEM, STATE OF NEW JERSEY

1. Finding 2022-001

a. Condition

The County did not maintain grant records in a manner that facilitates the timely preparation of schedules and, thus was unable to file the audit with the federal clearinghouse in a timely manner.

b. Recommendation

The County should implement internal controls and review grant documentation to ensure the schedules are completed adequately and the audit is submitted to the federal clearinghouse in a timely manner.

c. Corrective Action

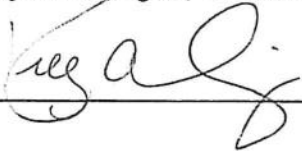

The County has updated financial reporting policies regarding the preparation of the Schedule of Expenditures of Federal Awards and the Schedule of Expenditures of State Financial Assistance in order to complete the schedules timely. The grant files maintained in the Finance office and the information in the Edmunds system are both in the process of being reviewed and updated, in order that information is streamlined for ease of use in the preparation of the Schedule of Expenditures of Federal Awards and the Schedule of Expenditures of State Financial Assistance.

d. Implementation Date
