The following Minority Freeholder Report was read by Freeholder Timberman:

Julie I must say you run a efficient reorganization we are going to be out of here in no time.

Distinguished Guests, Reverend Clergy, Fellow Members of the Chosen Board of Freeholders, my fellow citizens; I salute you and wish you a healthy and prosperous New Year.

Congratulations to Ben for his re-election and to Julie for her reappointment as Director.

It is with complete gratitude and reverent humility that I stand here before you tonight as a member of the Salem County Board of Chosen Freeholders. I sincerely thank the citizens of Salem County for electing me to my fourth term on this board. My years on the board have been both rewarding, and challenging. But most importantly, it has been my honor to serve the people of Salem County.

As I start my tenth year in office, I look back over my “tenure”. The issues that faced this board in 2004 are different from the issues we face today. We had a generous budget surplus, we had a more robust economy, and we had choices over which “projects” we wanted to pursue. The storms of the century were still just “history”, the employees were not worrying about layoffs, we had an excellent bond rating, and we were able to lower taxes.
But, the global economy shifted over the years, trickledown economics did not trickle, and little Salem County, always in last place as far as size, population, budget, and achievements, hit the same wall that bigger and better funded counties had already hit. We were the little engine that tried, and tried, and just could not make it up the inevitable hill to prosperity. And, this is the reality that we are in today. Having to DO with less. Whether we try to do the same amount, or more, is up to us, but we still have to “do.”

That, my friends is the crux of my speech tonight.

We, as the Board of Chosen Freeholders, have each been elected to serve the people of Salem County. We come from different municipalities, occupations, and socioeconomic statuses. Elected by the people, we are expected to serve the people. The citizens of this County do not care if we are Republican, Democrat or Independent. They do not elect the party; they elect the person. They expect us to lay our differences down after General Election and work together, as a board for the best interests of the county.

As John F. Kennedy said during his Presidential Inaugural speech on January 20th, 1961, “United there is little we cannot do. . . . . divided, there is little we can do.”

Yes, we are challenged with difficult situations, which require difficult decisions. However, there was no more challenging times then during the Great Depression. As FDR addressed the nation with candor in his First Inaugural Speech given on March 4, 1933, he said, and I quote, “This is preeminently the time to speak the truth, the whole truth, frankly and boldly. Nor need we shrink from honestly facing conditions in our country today”.

During the worst economic crisis ever to face our nation, people were out of work, bankrupt, and fearful of their own future. The fearless leader reminded all that as far as these conditions were concerned, they were only material things, and that we as a nation still had much to be thankful for. As President Roosevelt went on to say, “Happiness lies not in the mere possession of money; it lies in the joy of achievement, in the thrill of creative effort. The joy, the moral stimulation of work must not be forgotten in the mad chase of evanescent profits.”

The President promised that those dark days would be worth it all if they taught us that our true destiny was not to be ministered unto but to minister to ourselves, to our fellow men.

And, today, under much the same failures of the same institutions, we still have our freedoms, our ability to live our lives mostly as we choose, not dictated by class, power or position, and we can exercise our most basic rights as a nation of individuals. Yet, we as the leaders of the county have the obligation to display discipline and direction in our actions. We must remember that we hold the power that keeps so many county residents employed as county workers. Where are we going, who are we trying to lead, and what is the goal in all of this? As we reorganize for this year, let us ask of ourselves;

Is it right for the people of Salem County? Is it right by me?
And most importantly, is it right by God?

As a woman, giving the minority address is not unusual. Women have only had the right to vote since 1920. But, as a woman and mother, I have always had the right and privilege to pray. That right has never been denied as an American and my prayers to God have never fallen on deaf ears. So, I pray tonight that as county leaders, we will listen to the concerns of our people, we will hear the voices of our citizens who are poor and disabled, and those who are the unemployed, and we will hear the cries of our downtrodden.

This leadership must put aside short-term gains in order to find long term solutions. We were not placed here by the citizens to employ our friends and family. We are not
entrusted with making budgetary decisions that will benefit a few, at the expense of the many.

Like Congresswoman Barbara Jordan said, in her speech in 1976, we believe in equality for all and privileges for none. Inclusion not exclusion. We must insist that we join hands as a county, a community of people, restoring our belief in ourselves as people.

We cannot continue to govern in a vacuum. Look around us and see that so many in our county are unemployed, losing their homes, their families. Yet for most of us, these are not people that we know personally. Their poverty or their pain does not touch us. Transparency is an empty word that they do not even know or care about. Honesty, truth, and inclusion are the words that mean something. We vainly believe that our parties or our power will somehow make things happen and then we set up our own way of doing things. However, none of us sitting here tonight went to school for governing, leading or any other discipline of such knowledge. No, we only rely on our own experiences, values, and morals. And, this is where we must continue to challenge ourselves. We must ask more of each other, more of our fellow citizens, and more of ourselves. We have stopped some people from making an honest living. With the raise of a hand, we have cut them off from the pride of being able to pay their bills, put food on their table, and keep a roof over their heads. These are not light and easy decisions that we make and yet we sit here, all as part time officials, each taking a salary that is more than the total salary of some of the very employees that we laid off. We need to possess common sense and common decency, and show respect for common good. More is required of public officials than slogans, handshakes, and photo ops in the newspapers. We must provide the leadership and vision of the future and show the path that can take us there.

We are so pleased with the purchase and renovation of a former retail plaza that now houses county government offices. One more building off the tax rolls in a town which already houses most all of county government. And yet, we wonder why this town has lost its charm, its ability to take care of itself? Are we partly responsible?

We gather tonight in a grand old building that recently enjoyed a one million dollar renovation using federal and state matched funds. It is beautiful. And yet, this building is just a showplace, housing only the freeholder board’s meetings twice a month. Is that what the public dollars were intended for?

Next door, we see a once grand old building, designed by a premiere Philadelphia architect by the name of Cummings. It is now dilapidated and disgraced in its old age. And yet, we just relocated our employees who provide some of the most vulnerable citizens’ services, aging and disabled, back into that building. Can we do better than this? Is this what we feel they are deserving of?

I believe we can do better.

It is not the intent of government to micromanage employees. We are to vet and screen candidates for employment who are best suited for the position, regardless of political party, ability to contribute financially, or for personal relationships. It is our responsibility to know what qualifications these positions require and make sure that we are getting the best candidates to choose from. That may mean looking outside of our comfort zone, and perhaps even our county. It may also mean that we do not always agree with what they say or do, but we have the responsibility and ability to recognize that their expertise in the field in which they are working is most essential.

I believe we need to put aside our egos and listen more intently. We have not asked our employees how we can best reduce expenses, and what concessions they are willing to make. We assume to know their jobs and then we make decisions in a vacuum. And yet,
corporate America has been asking employees for input and ideas for well over two decades. Employees want to give their input and be part of the process. After all, most of them are the very voters that elected us to office in the first place.

We have not continually pushed the envelope in finding ways to do more with less. Discussions with other counties, municipalities, and even the state have stalled as the “Shared Services Concept” fell from favor.

We continue to recycle old ideas with the belief that what is old is new again. How many times can we issue prescription cards to our citizens only to find out that most of the time, they do not reduce the costs to underinsured or the uninsured? Why do we keep appointing members to boards that don’t meet, or only meet in order to comply with statute, but really are an exercise in futility? We must make better use of our volunteer public servants.

Yes, I challenge all of the members of this freeholder board including myself, to do better than what we have done. New Jersey is an old state, and there are laws on the books that make no sense today. We need to challenge those that make no sense, and look for better uses of the ones that do.

Working hand in hand with our state legislators will only improve these outcomes.

We all enjoy the good sense that God gave us and yet we do not employ it most of the time. We all say we are God fearing and God loving yet we do not ask for divine wisdom to be imparted on our decisions.

In this year ahead, I implore that we challenge our minds and abilities to do better than we have done in the past, and ask that we respect the differences in each other. I also implore that we recognize that the answers will not only come from our mouths but the mouths of our employees, our citizens, and mostly from thoughtful and reverent prayer. Only as a board of seven individuals working in unison will we get through the challenges that lie ahead of us.

Let us unite this evening in a sincere effort to work for the betterment of the county that we so dearly love, our own Salem County.

Thank you and God Bless.

The following Majority Freeholder Report was read by Director Acton:

Thank you Freeholder Timberman.

PASTOR FIELDS, FATHER PAUL ASSEMBLYWOMAN RILEY, COUNTY CLERK GILL, MY FELLOW FREEHOLDERS, HONORED GUESTS.

SINCERE CONGRATULATIONS TO FREEHOLDER BEN LAURY AND FREEHOLDER BETH TIMBERMAN ON YOUR RE-ELECTION. I LOOK FORWARD TO WORKING WITH BOTH OF YOU AGAIN.

WELCOME TO THE 2013 REORGANIZATION MEETING OF THE SALEM COUNTY BOARD OF CHOSEN FREEHOLDERS. THIS YEAR OUR MEETING RETURNS TO THE HISTORIC AND BEAUTIFUL “OLD COURTHOUSE” OF SALEM COUNTY. THIS BUILDING IS A FITTING LOCATION FOR TONIGHTS MEETING BECAUSE IT SYMBOLIZES THE VERY ESSENCE OF SALEM COUNTY; OUR HISTORY, CULTURE AND HERITAGE.

TO MY COLLEAGUES, I LOOK FORWARD TO WORKING WITH YOU; I KNOW THAT 2013 WILL BRING NEW CHALLENGES AND NEW DECISIONS. THERE ARE THREE D’S IN THE PROCESS OF GOOD GOVERNMENT; DISCUSSION, DEBATE AND DECISIONS.
WE ARE ALL COLLEAGUES; WE JUST SOMETIMES HAVE A DIFFERENT OPINION ABOUT WHICH ROAD TO TRAVEL.

A YEAR HAS PASSED SINCE THE VOTERS OF SALEM COUNTY VOTED A CHANGE IN THE BALANCE OF POWER OF THIS FREEHOLDER BOARD. AT THE 2012 REORGANIZATION MEETING, I WAS ELECTED BY MY PEERS TO SERVE AS FREEHOLDER DIRECTOR. I WAS DEEPLY HUMBLED AND HONORED BY THEIR CONFIDENCE. THIS YEAR MY PEERS HAVE ONCE AGAIN ASKED ME TO CONTINUE IN THAT SAME LEADERSHIP POSITION. FOR YOUR CONTINUED CONFIDENCE I SAY: “THANK YOU” I AM STILL HONORED AND HUMBLED. I WILL ALWAYS DO WHAT IS BEST FOR THE PEOPLE OF SALEM COUNTY.

SOME CALLED 2012 AN EXPERIMENT, IT ACTUALLY WAS A TRANSITION FROM BUSINESS AS USUAL TO A COUNTY GOVERNMENT CHOSE TO RESTORE CONFIDENCE IN PUBLIC OFFICIALS THROUGH REFORM.

SALEM COUNTY SAW MANY CHALLENGES IN 2012, SEVERE WEATHER, A WEAK ECONOMY, AND A CHALLENGING BUDGETARY PROCESS FOR SALEM COUNTY GOVERNMENT.

ON JANUARY 1ST, 2012, SALEM COUNTY WAS FACING A TEN MILLION DOLLAR BUDGET DEFICIT, $10 MILLION DOLLARS! IN WASHINGTON THAT’S JUST A DROP IN THE BUCKET, HOWEVER, IN NEW JERSEY’S SMALLEST COUNTY, 10 MILLION IS MORE THAT TEN PERCENT OF OUR ENTIRE BUDGET.

AFTER FURTHER ANALYSIS, WE DISCOVERED THAT THE $10 MILLION DEFICIT WAS ACTUALLY THE GOOD NEWS. THEN WE RECEIVED THE CATASTROPHIC NEWS……….. THE ESTIMATED SHORTFALL WAS ACTUALLY WORSE………..30% WORSE. OUR DEFICIT WAS APPROXIMATELY $13 MILLION. BALANCING THE 2012 BUDGET WAS A GRUELING PROCESS. THERE WERE MANY PAINSTAKING MEETINGS AND EVERYONE WAS NOT EXACTLY HAPPY WITH THE FINAL RESULT BUT WE BALANCED THE BUDGET, AS REQUIRED BY LAW.

LET ME BE CLEAR, THIS SITUATION DID NOT OCCUR ON JANUARY 1ST, 2012. IT WAS THE RESULT OF, AS THEY SAY, “THE PERFECT STORM”. YEARS OF COUNTY GOVERNMENT BORROWING, COMPOUNDED BY AN UNEXPECTED RECESSION AND AN ECONOMY THAT HAS YET TO STABILIZE. NOT TO MENTION THE EVERY DAY INCREASES THAT WE ALL FACE IN OUR PERSONAL LIVES SUCH AS, HEALTH CARE, INSURANCE, FUEL, FOOD AND UTILITIES.

THE FACE OF SALEM COUNTY GOVERNMENT LOOKS A LITTLE DIFFERENT TODAY. IT WILL CONTINUE TO EVOLVE INTO AN EFFICIENT GOVERNMENT THAT ADDRESSES THE NEEDS OF ITS CONSTITUENCY. THE DAYS ARE GONE WHERE WE ISSUE BONDS TO BUY THE THINGS THAT WE WOULD LIKE TO HAVE, WE WILL BORROW MONEY ONLY WHEN NECESSARY TO MAINTAIN AN ORDERLY AND EFFICIENT COUNTY GOVERNMENT.

IN ORDER TO UNDERSTAND WHICH ROAD WE MUST CHOOSE IN 2013, WE MUST TAKE A PEEK AT THE ROAD WE TRAVELED IN 2012. AS THE SALEM COUNTY FREEHOLDERS DEVELOPED THE 2012 BUDGET WE USED THE “KITCHEN TABLE TEST” ON EVERY LINE ITEM. SIMPLY PUT, WE SAID THAT WE WOULDN’T SPEND MONEY WE DIDN’T HAVE. WE FOCUSED ON WHAT SALEM COUNTY GOVERNMENT REALLY NEEDED NOT WHAT WE WOULD LIKE TO HAVE AT CHRISTMAS TIME.

THE ROAD OF 2012 LED US TO SOME OF THESE DECISIONS;
- REDUCED THE FREEHOLDERS SALARIES THAT WAS NOT A DIFFICULT DECISION
- WE HAD REDUCTIONS IN DEPARTMENTAL OPERATING EXPENSES
- REDUCED COUNTY MOTOR VEHICLE FLEET
- ELIMINATED REDUNDANT ATTORNEY CONTRACTS
- ELIMINATED UNNECESSARY CABLE TELEVISION SERVICE IN COUNTY ADMINISTRATIVE AREAS.
- ELIMINATED EXPENSIVE LEASE PAYMENTS FOR COUNTY OFFICES AND MOVED A SUBSTANTIAL PART OF SALEM COUNTY GOVERNMENT INTO MODERN A FACILITIES IN THE “FIFTH STREET COMPLEX”, LOCATED IN THE COUNTY SEAT.
- DISPOSED OF SERVICEABLE BUT UNUSED SURPLUS EQUIPMENT AND PROPERTY.
- WE ASKED EMPLOYEES TO CONTRIBUTE MORE TOWARDS THEIR BENEFITS.
- CONSOLIDATION AND SHARED SERVICES WHenever POSSIBLE.
- PROTECT THE CORE FUNCTIONS OF COUNTY GOVERNMENT.
- ELIMINATE UNNECESSARY SPENDING.
- ENACT A PAINFUL REDUCTION IN THE SIZE OF THE COUNTY WORKFORCE.

SO THAT WAS A GLIMPSE AT THE SCENERY ALONG ROUTE 2012.

LET'S GET OUR MAPS OUT (OR GPS IF YOU PREFER) TO TAKE A LOOK DOWN ROUTE 2013.

THE ROAD WILL ONCE AGAIN BE ROUGH AND FILLED WITH PERIL.

IN 2013, THE SALEM COUNTY BOARD OF CHOSEN FREEHOLDERS WILL STEER COUNTY GOVERNMENT TOWARDS A THOROUGH AND EFFICIENT GOVERNMENT; A GOVERNMENT THAT ADDRESSES THE NEEDS OF THE PEOPLE OF SALEM COUNTY; A GOVERNMENT THAT ALSO PROTECTS THE TAXPAYERS OF SALEM COUNTY. THAT IS YOU, OUR FRIENDS, FAMILY AND NEIGHBORS. IT IS NO SECRET THAT TAXES ARE THE FUEL THAT DRIVES THE ECONOMIC ENGINE OF OUR COUNTY GOVERNMENT. JUST LIKE NATURAL RESOURCES WE MUST RESPECT THOSE TAXES AND NOT WASTE THEM.

ALONG ROUTE 2013 THE SCENERY WILL INCLUDE SOME NEW SIGHTS AND SOME FAMILIAR SIGHTS.

THIS FREEHOLDER BOARD WILL CONTINUE TO SEARCH FOR GREATER EFFICIENCIES IN 2013.
WE WILL, HOWEVER, BE MINDFUL THAT WE ARE RESPONSIBLE FOR PROVIDING QUALITY PROGRAMS AND SERVICES TO OUR CONSTITUENTS. WE WILL ACCOMPLISH THIS WITH AN EYE ON EFFICIENT GOVERNMENT.

2013 WILL BRING CONTINUED SCRUTINY OF INEFFICIENT SEGMENTS OF COUNTY GOVERNMENT, INCLUDING INDEPENDENT AUTHORITIES OF, BUT NOT IN, SALEM COUNTY GOVERNMENT.
ONE OUR SALEM COUNTY’S MOST VALUED RESOURCES IS OUR PUBLIC SECTOR WORKFORCE. IT IS TIME TO RENEGOTIATE SEVERAL OF THE CONTRACTS WITH OUR BARGAINING UNITS. WE WILL BARGAIN IN GOOD FAITH TO ENSURE THAT FAIR AND REASONABLE CONTRACTS OF MUTUAL BENEFIT ARE SETTLED THROUGH PARTNERSHIPS, NOT EXPENSIVE LITIGATION.

LOOKING DOWN ROUTE 2013 WE WILL ALSO SEE THE FOLLOWING;

- CONTINUED DEPLOYMENT OF TECHNOLOGY IN THE ADMINISTRATION TO ELIMINATE ANTIQUATED PAPERWORK PRACTICES.

- THE SALEM COUNTY ECONOMIC DEVELOPMENT COMMITTEE WILL SEARCH FOR OPPORTUNITIES TO ENHANCE OUR EXISTING BUSINESSES AND INDUSTRIES BY DEVELOPING SYNERGYSTIC PARTNERSHIPS WITH NEW BUSINESSES.

- COMPLETE FULL IMPLEMENTATION OF E-PROSECUTION WITHIN THE PROSECUTOR’S OFFICE.

- CONTINUE TO MAINTAIN COUNTY ROADWAYS IN GOOD AND INCLEMENT WEATHER.

- SEEK NEW AND INNOVATIVE OPPORTUNITIES FOR SHARED AND CONSOLIDATED SERVICES.

- IN AN EFFORT TO FURTHER REDUCE OUR INSURANCE PREMIUMS, WE WILL REDEFINE AND IMPLEMENT JOB SAFETY PRACTICES TO ENSURE WORKPLACE SAFETY AS WELL AS COMPLIANCE WITH STATE AND FEDERAL SAFETY MONITORING AGENCIES.

- THE SALEM COUNTY BOARD OF CHOSEN FREEHOLDERS WILL ONCE AGAIN CONDUCT REGULAR MEETINGS IN OUR MUNICIPALITIES. THIS YEAR, WE WILL INCREASE THE NUMBER OF THESE MEETINGS TO FOUR. WE WILL CONTINUE HAVING “OPEN TO THE PUBLIC” WORKSHOPS AND BUDGET MEETINGS.

AS YOU CAN SEE, 2012 WAS A CHALLENGING YEAR; THIS BOARD WAS UP TO THE CHALLENGE. 2013 WILL BE JUST AS CHALLENGING BUT THIS FREEHOLDER BOARD, I ASSURE YOU, WILL AGAIN BE UP TO THE TASK.

SALEM COUNTY IS THE LEAST POPULATED COUNTY IN NEW JERSEY. I THINK MOST RESIDENTS OF OUR COUNTY AGREE THAT WE ENJOY A SPECIAL QUALITY OF LIFE HERE THAT EXISTS IN FEW OTHER AREAS OF NEW JERSEY. SALEM COUNTY IS A GREAT PLACE TO LIVE, WORK AND PLAY… TEAMWORK WILL KEEP IT THAT WAY.

I PLEDGE TO YOU THAT I WILL DO MY BEST TO LEAD THIS GROUP OF FREEHOLDERS IN A DIRECTION THAT ESTABLISHES SALEM COUNTY AS NOT ONLY A LEADING COUNTY IN NEW JERSEY, BUT THE NATION AS WELL.

IN CLOSING, I MUST TAKE A MOMENT TO THANK MY PERSONAL SUPPORT GROUP; MY HUSBAND JOHN, SONS, JONATHAN AND JUSTIN, MY FAMILY AND SOMEONE VERY SPECIAL TO ME, MY MOTHER JEAN GROSS. I THANK YOU, I COULDN’T SERVE THE PEOPLE OF SALEM COUNTY WITHOUT YOUR CONTINUED LOVE AND SUPPORT.
GOOD NIGHT. MAY GOD BLESS YOU AND MAY GOD BLESS SALEM COUNTY.

Director Acton, asked Reverend Dr. H. Holland Fields, Jr. to deliver the benediction.

Director Acton I want to really thank Father Hart and Reverend Fields for coming this is part of our Freeholder Board. We like to have prayer. This is a big part of doing government we like to be blessed so thank you very much.

Motion was made by Deputy Director Cross to adjourn the meeting, which was seconded by Freeholder Timberman. On roll call, the motion to adjourn the meeting was unanimous. The meeting adjourned at 6:44 PM.

Respectfully Submitted:

Earl R. Gage
Clerk of the Board
